“ Beautifully done. Bernadette's true nature was captured in these photos....a woman who truly enjoyed the people she was with, who loved them. It was so obvious; it showed on her face, smiling so often. We loved you, Bernadette.

“ Bernadette, I liked you as soon as I met you many years ago, and liking deepened to love in a short time. Your presence in our lives was a blessing. You were graced with the ability to see the goodness in others that so many of us miss. With your depth of understanding, your kindness, you often reached out to others, focusing on their needs above your own.

You were family oriented. You loved people and animals. You were a joy.

We will miss you beyond the telling.

Your sister-in-law, who thought the world of you,

“ Bern was always kind & thoughtful, someone who would light up any room she walked into. Having her watch me grow up was a true blessing, and the memories she left behind will stay with me forever. Though she is resting at peace, She will never be forgotten. Aunt Bern, Rest In Peace.

Love,

Will

“ I am so sorry to hear of my sweet, kind, loving student Bernadette. I loved her, she always greeted me with a big smile. Always, helping me with class, organizing our events, making my life a little easier. Little I knew of her own suffering. She never complained, or talked about her health. I often, asked about her hands, she would make it seem like not that bad. How do we say goodbye to someone we care so much about? Is difficult, heartbreaking. May all those who had the privilege to know her, find comfort in all the memories shared with our loving, caring, kind....Bernadette. Namaste! Your yoga teacher I will miss you!. Augusta
