“ Please accept my deepest sympathy on the loss of your mother, grandmother. There are really no words to express my sad feelings to all of you.

Adele was my first neighbor and friend here at Paumanack Senior Housing almost 5 years ago. As you all know she loved to cook and she often told me it was hard to cook for one, so I became a happy recipient. She also became a friend to my granddaughter, son and daughter in law. Samantha first loved Tutssie and then Fifi.

I know how much Adele suffered in the last months, but she was a fighter, and kept doing as much as she could, and loved her garden. I will miss her every time I pass the apartment and would visit with Samantha to play with Fifi.

Fondly, Eileen McGloin
