“ Our sincere condolences to your entire family, and particularly to Daina, Dara, Danielle, and Michael.

I recall your Mom from years and years ago from the house across from Birchwood Elementary school, and driving us around in the old station wagon (I think I dropped a dime in the car when I was a kid).

I also recall now and then when Mr. and Mrs Green would visit Fredericks Restaurant and I would have the honor of being thier server or busboy.

Best wishes in this difficult time.
