“ I have been friends with Angela since kindergarten and had the privilege to know Bob for 25 years. They were a perfect match together and Angela had such a great love and appreciation for Bob and his uncanny sense of humor. Her dedication and caring for him is the truest testament of her love for him. We spent many wonderful times together and it was always colored with laughter. I am even more thankful for the dear relationship that he had with my son Tony. His patience and kindness listening to my son's WWII stories. He engaged Tony in such a beautiful way and it will always be remembered fondly. As for Angela, my heart has been breaking for you and my prayers are with you this day and always. May Christ Jesus be with you and shroud in his loving kindness forever.

*Love Always Anita, Tony, Tony Jr and Olivia*

“ Bobby and I were high school sweethearts! He was a little wild and crazy back then. We lost contact after high school and reconnected again at our 40th class reunion. It was wonderful to see Bobby again and meet his wonderful wife Angie. We all became friends and enjoyed visits. They both became a big part of my life... I was privileged to spend a day with Bobby and Angie the day before he was hospitalized. My heart is broken for the loss of this great friend and for his wonderful wife Angie. May God give you strength my friend Angie to take you through this very sad time. Love you both.

“ We've been friends for over 35 years and you were always there for our family and friends brother Bob. Amy, Laura, Megan and their families join Kathy and I in extending our deepest sympathy to you Angela, Allison, T.K., Brayden, Landon and Bob's brother Liam.

As we all know, there was only one "Striper King" and that was Bob. He had a great reputation on the docks of Montauk, not only for catching the big one, but also for trying to raise the standards of our very old B.R. fishing society!! We will all miss you very much Bob, good buddy. Our love and prayers go with you and to your family.

Love,  
Kathy & Art
