“ *I do not know who Alfred was, but as a Schaw on the other side of the world, I feel a kinship with him. I, too, am an educator. Maybe he and I would have got on well.*

“ *Al was a great guy, the guru of Occ Ed. I had thought recently to track him down to teach in my program--the matter of age never crossed one's mind with him. Could always count on him for an accurate historical account of what's-what in education.*
