“ So heartbroken to hear the news...but memories of Uncle Al will live in my heart forever. So many wonderful memories of Easter and Thanksgiving gatherings with Uncle Al, Aunt Bea, David, Stephen and John. One memory of Uncle Al that was so typical of his character was the competitive round of golf we played together while he visited me in San Diego. A competitor by nature and boy did he make the game fun! And yes, he beat me. I will always have a special place in my heart for Uncle Al. There may be "Dancing with the Stars" while here in life, but I am sure Uncle Al is "Dancing with the Angels" in Heaven! God bless Uncle Al and his wonderful family.

“ It is hard to find words to express my sadness. My heart breaks for Uncle Al's family whom I know are suffering deeply right now. I wish I could be there to celebrate his life with you this week but I do not have real wings... Yet! I want to share my favorite memories of Uncle Al with you. When I was young I spent a few summers on long island with Aunt Bea and Uncle Al and remember learning acrobatics in the back yard. Uncle Al would balance us first on his shoulders, then take our feet, one at a time, and lift us straight up into the air. He always said "Stand straight and strong and trust me, I won't let you fall" He never did let us fall and those memories.. I will never forget. He loved children and laughter and dancing and I loved my Uncle Al the most. I visited him a couple of summers ago and remember calling through the walls as I fell asleep.."I love you Uncle Al"... and heard him chuckle and say "I love you too"...My eyes are tearing right now as I write this with his photo in front of me... I love his children, my cousins, and I hope to get there in the not too distant future to celebrate Uncle Al's life in stories, laughter and tears... I hope some comfort will come to you in knowing he is with his beloved wife dancing again, and probably teaching young children acrobatics. Love to you all...Nancy

“ *He was a wonderful man, and I am glad to have known him. He was pleasant, and funny, and had a lovely wife and 3 wonderful sons. He will be missed. I'm sure that Bea has been waiting for him. Rest in peace.*

“ I couldn't believe it when I heard that Al had passed. He always seemed so strong and healthy and we always looked forward to seeing him at our family reunions.

*Thanks for always dancing with us, Al. You will always be remembered!*

*Big hugs go to all of you, especially to David, Stephen and John (and your families). I'm so sorry.*

“ My heart is heavy as I write this today. So sad to hear of Uncle Al's passing. Al was a big highlight at each reunion as he would always dance the night away with us. Winter Family Reunions will not be the same without Al on the dance floor. He was a gentle, caring man who was such a joy to be around. Sending caring thoughts and prayers. With much love.

“ I was so saddened when we got the news of Uncle Al's death. It's hard to believe he's gone. I have such wonderful memories of our visit to NYC just a few years ago and our fabulous times together at the family reunions. He will ALWAYS have a very special place in my heart. I'm sure he's dancing in heaven! All my love to my terrific cousins-David, Stephen & John. Cherish your memories.

See you soon. My sincere sympathy. Connie

“ Dad... Wish Heaven had a phone so I could hear your voice again. I thought of you today, but that is nothing new. I thought about you yesterday, and days before that too. I think of you in silence, I often speak your name. All I have are memories and a picture in a frame. Your memory is a keepsake, from which I'll never part..... God has you in his arms, I have you in my heart...

I hope and pray you are dancing again in heaven because no one taught me how to dance better than you! xoxo

Love you, your 'daughter' forever... Janis
