“ *I lost a very dear friend of over fifty years when we heard that Alice had passed away.*

*She was a woman that loved people and her family & friends and never complained tho she was sick so often , she always found good in others. She and her husband Chubby, were considered part of my family and loved.*

*She will be greatly missed.*

*you will be always in my thoughts and prayers,*

“ Aunt Alice has always been one of the warmest and most loving people I've known in my life. She was a wonderful friend to my parents, Lenny and Camille. As children, my brother and I, with my parents would always visit Chubby and Alice. I have really fun memories of those visits, their little dog, the beach and outdoor gatherings.

*She lived through so much illness it has always amazed me that she could still have such faith and spirit. She kept her chin up through it all with grace.*

*Alice will be missed and always have a really special place in my heart. We all loved her...*

*Love to you, Alice  
Sincere condolences to your family.*
