

## Alice Jane Savold

July 25, 1936 - January 10, 2023

Alice Jane Savold, age 86, passed away on, Tuesday January 10, 2023, after a long illness. She was born in International Falls, Minnesota on July 25, 1936, to Alfred

and Gladys Paulson. She married her soulmate, David Savold, on December 21, 1980 who preceded her in death in 2017.

Alice was an accomplished pianist and she passed on her love of music to her family. She also loved jigsaw puzzles and crossword puzzles. Reading was a longtime favorite hobby. She loved to cook and passed down many of her favorite

recipes to her daughters. She loved to collect teacups and figurines and enjoyed

going to the local tea shops for lunch.

For many years, Alice worked as a legal secretary for various law offices starting in

the early 1960's! She always dressed beautifully, and she especially loved her shoes. She was a strong, supportive mother who loved her family deeply, and was

always available at a moment's notice for counsel.

Alice is survived by her brother, Morris Paulson; her three daughters, Louise Berleth and her husband, Andrew Berleth, Shannon Johnson and Michele Thompson; grandchildren, Brian Berleth and his wife, Jennifer, William Berleth

and

his wife, Kayla, Matthew Johnson and Elena Johnson; plus, six wonderful great grand-children. She is also survived by the father of her children, James Thompson.

We will celebrate her life on Wednesday, January 18, 2023, from 2-4 PM, at A.L.

“ Grandma taught me the love of music. She shared how music could be a way to express more than just feelings. She was a wonderful soul who brightened every Christmas with her beautiful cards she took such special care for each of us. I am so grateful she is at peace with David, her soulmate. I love you Grandma.

“ Mr. and Mrs. Clay Johnson were honored to have Alice in our lives. We shared being grandparents to Matthew and Elena. When Alice and I (Ellen) got together for lunch the conversation was always a happy report of their lives, what was happening, the joy they brought to us. She loved to share pictures of Louise and Andy and family, Missy and talk about what she and Shannon were doing. We extend our deepest sympathy to all the family and support them in our prayers.

“ *Grandma was always a kind hearted and welcoming person. Growing up I remember our visits to New York from California and Grandma always made me feel like I had always been there and I never felt like I had to 'catch up'. We just picked up a conversation and spent time together.*
