I just wanted to express my thoughts and prayers to you and your family. May god guide you and comfort you in your time of need. Know that I am only a phone call away if you need me. I know how hard this is going to be for you but know that you will always have your mother in your heart always. My heart goes out to you all right now, knowing that I lost my dad not long ago, I sure do understand how you are feeling. You will find an inner peace maybe not today or tomorrow but it will come to you. I will be praying for your comfort at this time. May god bless you all and guide you through this. Love to you and your family.

Love,

Tammy & Joey Robinson
