“ A collage of memories from the Depardieu girls:

The kitchen was the heart of her home and we would be gathered around with Aunt Anna cooking at the stove with lively conversation.

We never had to knock at the door we just walked in.

Working out with Aunt Anna to Jack LaLanne on the black and white TV and to the very end of her life she loved doing exercises.

She was devoted and delighted in her grandchildren.

She was always ironing everything even underwear.

Making tons of sandwiches for the kids lunches.

Our Mommy teaching her to drive.

Going to Centerport beach in our Mom's old blue Dodge with all seven kids in the backseat and having to get out of the car when going up the steep hill to get home.

Always enjoying getting in the water at the beach with all the kids because my Mom could not go in with her ear problem.

She loved her jewelry and always got decked out.

Having three o'clock coffee with her sisters.

She loved her Manhattans so we raise our glasses to you.

These are just a few of our wonderful memories with our precious Tia. We will always carry these memories and more in our hearts.

We love you,

Louise, Elaine and Madaline

“ *To the Menchaca family:
I am sorry to hear of the news of Aunt Anna's passing.*

I have many great memories sharing good times with her Uncle Tony and the Menchaca family. I will remember her and Uncle Tony as a prime example of the importance of family values.

I would like to thank the Menchaca family for being a part of my life that i remember so fondly. Each fond memory i have will serve as a celebration of Anna and Tony's life. I am sad they are no longer with us , but i am happy to have known them and learned from their kindness and wisdom.

“ Our thoughts are with Anna's loved ones. She was a special lady and has now joined her husband who was also a wonderful person. You were blessed to have them both so many years, and they touched so many lives during that time. We send our sincere sympathies and prayers for healing to the Menchacas, Smiloffs, and all relatives and friends of Anna's.

“ Dear tía Ana:
You were always most caring and loving to us; always took us not just as your husband Tony’s relatives, but as your true family.

Wherever tío Anton is, we really wish you have joined him now and will be again the happy and affectionate couple you always were. Your smile will always be with us.

Our deepest condolences to my cousins Joseph, Joanna, Anthony, Frank, and all our relatives in the States.

Muchos besos
Yoli

“ Mom: You were more than a mother to me. You were my friend; I never had a sister or daughter and our bond was stronger because of that. I am so thankful to God that I was there to hold you and tell you how much you were loved as you passed away. I feel a void in my heart that may never heal. Kiss Papa for me. Rest in peace with the angels. I know you will still be watching over me from above. Love your daughter,
Joanna
