“ I am so sad to hear of Anthony's passing. I remember him as a wonderful young man. We had many crazy waits for the school bus freezing our buns off!!! RIP, Anthony, you are missed by many.

“ Wow!You went to sleep and awoke in Heaven! What it must have been like at that moment to be laying down to go to sleep in your own bed and to be awakened by an Angel. Then to find yourself with your Dad on the Streets paved with Gold standing with Jesus and all those who have gone before you;Family,Friends you lost in Nam ..and everybody is young and vibrant and filled with Joy! See you there one day my friend. God will take care of your Family on this side! He has promised us this.
