IF

“ *When I was 15 I was struggling in Algebra. Tony came to my rescue. I remember his patience and perseverance to help me make sense of what seemed like a foreign language to me. I wasn't the best student, but Tony was the best tutor & was determined to help me. That patience and caring is something that I reflect upon all the time. Tony you were a wonderful man, husband, father, grandfather, friend. Thank you for your inspiration. God bless you and watch over you. Give my sister Marianna a hug from me.*
Lovingly,
Irene
