“ So many fun, wonderful, and terrific memories. But we are still left wanting and wishing for more. We are so blessed to have had you in our lives. I'm so grateful that my children and granddaughter were able to know you . You were the best father, father-in-law, and Popatone in the world. We love you and will always miss you. But we know this is not where it ends and we will carry you with us in our hearts until we see you again.

In Loving Memory - Sherri, Jerry, Mathew, Kiana, Jennifer and Maliyah

“ *My fondest memories were when I was a small boy and my mom and I would take the LIRR from Woodside to Huntington to go see my Godmother (RIP Aunt Jetta) and we would first stop by the gas station to say hi and I would just hang out for a little bit, watch and listen to my Uncle because he was such an amazing mechanic with tons of knowledge and I learned a great deal of tricks to diagnose problems and to fix and replace many parts on old cars.*
