“ *I've come across some incredible people in my life. You were one of the best. It's hard to believe that you're gone almost a year. I'm sorry we didn't get to talk more. So much to be said. RIP Tony. You definitely left us too soon.*

“ Tony my heart is breaking we shared 16 years together we had an amazing relationship. You are my lover , my friend my soulmate you will be missed dearly, I am so glad that we had that two hours alone 10 days ago to sit and just talk how you told me that you loved me and that I loved you and it didn't matter that we couldn't figure out what we were to each other and we left it with closure I'll never forget everything that we did together. All the laughs the fun times the beach the barbecues dinners just watching TV are endless phone calls to each other every day. It's hard to let you go . I know that you're not suffering anymore there's a hole in my heart that will never be filled I'll carry you forever in my heart rest in peace my love always & forever Stephanie
