“ *My days at Lawrence Rd JHS were always happiest after an interaction with Art, particularly in or near Room 108! He was loved by everyone, kids and adults alike. We carpoled to work periodically and my face would hurt from laughing when we arrived at school. Just hearing Art's name still immediately brings a smile to my face. Art and Andrea were the perfect couple , who created a loving and welcoming home for all who entered. Art's kindness, generosity of spirit, and sparkling personality were gifts to all who knew him. Rest in peace, Art, knowing you changed the world for so many people.*

*With love and respect to Andrea and family,
Rosemarie Coletti*

“ My heart aches at the passing of this wonderful man. Art gave me lots of guidance when I started working at Lawrence Road. I will always remember his kindness, his humor, and his caring, which later extended to the retirees as well. May his family be comforted by the cherished memories they have of him and by the knowledge that he made the world a better place.

“ *I first met Art at LRMS over 20+ years ago. We just started talking in the faculty lounge. When I became involved in the 50 Anniversary celebration of Lawrence Road, he was the go to person and helped me so much. He was so involved with the retirees. He really kept them together, feeling like a family. He will be missed, but each and everyone has a great Art story in their hearts. My condolences to his family and friends.*

“ My condolences to the Frisenda Family. I have known Art for many years as a co-worker and a friend. We have had many laughs together, starting at LRJHS and moving to UHS. Art was someone who was always there when needed. I will miss this, but know that he is in a better place, where his laughter will continue. For now, my friend, sleep in peace for a little while.

You'll never be forgotten, Mr. F..
