“ To all my cousins at this sad time: I am so disappointed I didn't get to share the funeral proceedings with you all. Aunt Barbara was a wonderful woman and I know she always loved you and Uncle Bud beyond anything else in her life. The photo video was wonderful! I remember you girls in those beautiful deep pink velvet dresses. I remember sleeping over at your house on Drexel avenue and was always fascinated by that 'spinning wheel' that sat in the living room and remember how happy I was that it made it out to Huntington when you moved. I have BRILLIANT memories of hanging out in your basement as teenagers and wandering around in your neighborhood meeting all your teenage buddies - coming back to the house with Uncle Bud waiting up in the chair in the den. I remember holiday buffets at your house and always the big family gatherings wherever we met up. We were so lucky to be part of such a big fun family to 'relate' to each other about how strict our moms were when we were too busy to clean our rooms :0) LOL. It was such a blessing to be part of your lives and I will miss having the 'three aunts' together at our cousins dinner which I treasure whenever I get back to LI. I heard you all gave your mom an amazing send off which my mom said was 'perfection.' RIP Aunt Barbara. Love to you all, Debbie

“ I was so saddened to read that your Mom had passed. When Barbara had a medical episode 4-5 years ago, I had the fortunate opportunity of meeting her—after which she always addressed me as her guardian angel. Now Barbara will be our guardian angel in heaven. May all your happy memories of the times with Barbara wrap you in a warm hug and be a comfort to you always.
My condolences, Eileen Schulz
