“ *We were so sad to hear the news! I have so many wonderful memories of the times we spent together... Thanksgiving dinners, Christmas day, on the water, the Life of Reilly, the yacht club, diving off the high dive for a dollar, Tuesdays when Gama and "Aunt Beace" played bridge and I tried to eat all the hard candies and mowing that hugh back yard! I feel very fortunate to have had "Aunt Beace" in my life! Our thoughts and prayers are with you and your family during this most difficult time! Love, Shannan, Nick, Anthony, Nicholas, and James*

“ *Dear Doug, Allison and Families, Although I never knew your mom and grandma, I have been through this and understand what all of you are experiencing at this time. I know that the person your mother was, from what Doug has told me, will be a shining memory to all of you. Her strength and wisdom will come through in you and you will reach out to her memory for guidance when you need to. Remember all that she was and you will find peace and comfort. Our thoughts are with you,Riva & Eddie Root*
