Upper Brookville, NY

Tribute Wall

“ *Betty A. Hasteadt*

November 27, 2022 at 05:33 PM

“ *As cousins, we shared many family gatherings in the city and at the beach house in Huntington. As the family scattered over the years, the memories of those family weekends at Huntington with our family and Betty's family always remained. They taught us all the importance of family staying together and we have tried to follow through.*

It is our fondest prayer that she has now found peace in eternal rest and is reunited with the family that is already together in eternity.

William Wandmacher - March 28, 2019 at 04:31 PM
