“ I will always remember Aunt Betty's warm smile, soothing voice, gentle manner and her lending ear all throughout my life. I will especially remember all the good times and the laughs we had in Florida when the family would visit. Rest in Peace Aunt Betty. I love you and will miss you very much. Your niece, Carolyn

It was Betty's and the family's wish that there be no services. Our mom is being cremated and her ashes scattered along with those of our father.
