“ *You will be truly missed. You were the greatest Aunt anyone could wish for. We have many happy memories that I can pass on to my own children. You had the best sense of humor and I always enjoyed your jokes. I especially enjoyed all the stories you told regarding your journey to America. Rest in peace, say hello to Uncle Eddie, and I'm sure you and my parents will all get together to play cards. I love you and will miss you.....*

“ Dear Aunt Betty! Since we only had a short time to meet and get to know each other, I was really moved. I found a member of my family roots to which I had sympathy from the beginning. Your friendly personality and your way you acted made you to a person which had to be loved. I wish that we would have known each other much earlier and could have the chance to meet more.

There are so many things more I had to say, but I can not find the words for it.

Rest in peace. Love Jürgen and Gitta
