“ *After my mother in-law passed away in 1988 Beverly was a huge source of comfort and solace to my family. Beverly had been a long time friend of the Heckelmann family and helped out in any way she could. Beverly's husband had died just a few short months before my mother in laws passing so as time went on she and my father in-law grew very fond of each other and eventually fell in love. After a 2 year courtship they got married.*

Beverly was the only grandma my children knew from the Heckelmann side,

and lived up to the title. She always remembered important dates for my children and was always affectionate and loving to them.

We will miss Beverly each and every day. She was greatly loved.

We will miss her charm and grace. She was a truly a classy, beautiful and caring Christian woman.

I am so grateful to have had her in my life and was proud to call her mom.

“ Not only was Beverly Irene (Meyran) Heckelmann a devoted mother, grandmother, and "G-G", she was also a loving aunt to John, Eileen (Pry) and Paul (deceased) Meyran. We grew up with her as a constant source of grace, charm, and good humor. Thankfully, we had many, many years to enjoy her Easter family dinners and wonderful spritz cookies. We loved her dearly, she will be missed.
