“ *The Land and the Sea*

*On land or by sea, makes no difference to me.  
There is pleasure or danger in a wave, in a tree.*

*Many fish in the ocean. Carl, you knew that for sure.  
You caught some good ones, because you used a good lure.*

*The sea churns with uncertainty just like your life.  
But each outing was great with the love of your life.*

*Whether close or acquaintance, many people you knew.  
You shared friendship that was genuine, so fun and so true.*

*In peace you cruise now in God's ocean above.  
We're thankful we had you, we say with great love.*

*We'll never forget you, the good times and chuckles.  
Why not end with a laugh.  
Keep fishing Uncle Knuckles!*

*By Russ Parker*

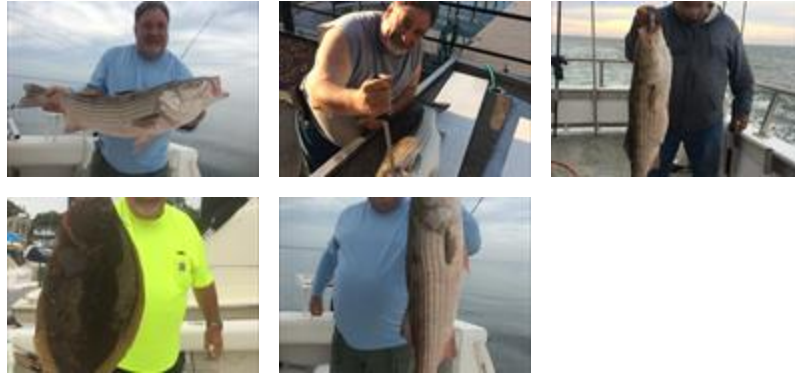

*With all our love, Russ, Donna, Carrie and Chris.*
