“ *Our times with Carmella in Italy, France and Florida will always remain amongst our happiest memories. We were privileged to have met her and to have spent some of the best days of our lives together. She was forever having fun, experiencing new places, cooking and eating wonderful food in incredible places with her friends, both old and new. She will always be a huge part of those memories, with Jack always at her side, smiling at her every word. Their love story is an inspiration in devotion and respect. 🌈💔🕊️*
