“ Dear Dad, I will miss you so much and I am so thankful for this past year and half we have shared together. You have always taught us of your strength and love for our family and how we should always be together. I have so many great memories of all the gatherings we had at our houses with family and friends. You always welcomed any one we invited with open arms. I will miss you but am happy you are not suffering any more. I can only pray that I have made you proud and that I am half the person you were! I will miss you and love you for ever! Piña.
