“ Ma, I love and miss you and Pop so much. Sadly I don't think either of you had any idea what amazing people you were, how tremendously you are both loved and missed! I'm counting on you and Dad making sure that Craig truly knows how much he is loved, missed, wanted and needed he is. How very sorry I am for not being the Mama he deserved

“*My heart goes out to Terry, Barbara Susan, Matthew and Judy for their loss of a great mom. I am so grateful Bobbie opened up her home a couple of years ago to a few of her cousins (including me!) Our visit was memorable and even more so now. We were blessed to have a close family growing up, but as life goes on, many of us ended up in different places ... one of my favorite memories of late was phoning Bobbie and saying I was from American Express and that she was late on her payment! Needless to say, I had her quite concerned for a few minutes until I admitted it was me! Great job on the pictures and DVD!*
