“ *I am saddened to hear that Cathy is no longer with us in body, but I am confident that she resides in God's House of Many Mansions with Father Thomas Keating and numerous others.*

I was not aware that Cathy had passed until today.

I sent her an Email recently and called today and left a message.

This is what prompted me to do a search.

She will be missed by many and shall remain in our prayers and fond memories.

She will be missed dearly, and shall be remembered both in nightly prayers and often at the beginning of Centering Prayer.

Thank you, Cathy, for the integral part you have brought to my Life and the Spiritual Journey which we are all invited to.

“ My Dearest Cathy,

I am eternally grateful to have had your friendship and spiritual guidance for many precious years. I always looked forward our lunch visits and heart to heart talks which always nourished my soul and enriched my life. I love you forever and although I will deeply miss your physical presence, I feel our connection in Spirit will always be. Rest in the beautiful Peaceful energy you brought forth to others. I Love you forever.

“ Cathy was a catalyst of growth for me over the years. First, through the 10 years or so of a Holy Week Retreat, then in other retreat settings and finally through her coaching and wisdom one-on-one. What impact she had in so many of our lives. Her humor, her clarity and her ability to speak the truth in love--all gifts of grace and love that changed me! Thank you, Cathy! Heaven will be delighted with your humor and playfulness!

“ No need to count the years, it feels like Cathy has been in my life always. The Holy Spirt wove a garment of friendship with threads of centering prayer retreats, dinners, wine And even manicures that held us together for so long. When together we laughed and laughed and I will miss her. But I know that she is resting in bliss.

I have been so blessed by the gift of Cathy as a Teacher, Mentor and Friend. Her determination, faith and exceptional administrative skills created retreat opportunities and the Contemplative Living Course for hundreds of people. “ I met Cathy in the early 1990’s and she was one of my spiritual teachers for years. Taking the 9 month course with her and Teresa was life changing for me. I will miss her dearly. As a spiritual director, she was kind to me, filled with wisdom, and always truthful. I learned a lot from her. May she rest in the wings of the Spirit. Thank you Cathy.
