“ *My heart felt condolences to the family and friends of Charles. I first met Charles when I was a sergeant in the 2nd Pct. He always had a smile and a story of Huntington or his time in the Navy.*

“ *My grandpa was the best. He took me to the Statue of Liberty when I was younger, brought me to Lake George every summer with Grandma and Marjorie, played checkers with me (rarely let me win) and was an all-around great person. His lifetime commitment to the town of Huntington and to our country will always be remembered. You are missed and always loved.*
