“ My Dear Friend Connie,

I think about you everyday. We have shared so many memories over our 30+ year friendship. I will always cherish them. Even though at times we lost touch, I always knew that you were a phone call away. I am so grateful for everything that you have done for me. Thank you for your special friendship. “ Connie,

To my wonderful sister-in-law (sister) and friend, I can't believe you are gone. No words can express the extreme sadness I feel. We couldn't have asked for a better wife for my brother. You made him so happy, and for that we are grateful. Although you left us way too soon, I will cherish all of the memories of you for the rest of my life. Rest in peace my sister. I love you, Heidi

“ Dearest Connie:

I have been trying to write something for days. It is so hard to believe you are gone. You were everything I could have ever asked for in a daughter-in-law. Connie, you were my 3rd daughter. Bill picked a beautiful, wonderful, thoughtful, caring wife. One of my last memories are of Connie & Bill doing the "Wedding Dance" in her hospital room. For those few moments the three of us were back at their wedding reception. Rest in peace, Connie dear, rest in peace. Love Donna

You have left us way to soon, but I know that you are at peace now. Elizabeth made it into the honor society and she said it is the first "Auntie Connie Miracle" because the induction date is 5-26-09, your birthday. I miss you, I love you and I know you are in Heaven bossing the bosses.*

“ Connie, you were and will always be the love of my life, without you the best part of me is missing. I still can't believe you are gone. I will miss hearing your voice which I heard several times daily for years. You made me a better man and taught me so much which I will cherish until my final breath. But most of all is the love we shared for each other was beyond anything imaginable. I will miss you everyday and look forward to the day that we can resume our love in heaven. Love always and forever your Billy bear.

“ Connie, I just learned of your death and no words will express the way I feel right now.

I know that you have found peace, but it doesn't seem fair that you will never have the chance again to touch people's lives as you did mine. My sympathy goes out to your family knowing what a big void that your death has left them with. ?So, goodbye sweet friend goodbye?until we get the chance to meet again.?

“ Dear Lucille, Joe, Vincent, William, Joseph and Jennifer,

Nicky and I are so sad to hear about Connie's passing. When I opened the link on this website and saw her beautiful face, it made my heart skip a beat and brought tears to my eyes as I remembered the little girl with the curly blonde hair who as a kid, was my little sister's buddy and companion in crime . Our families have known each other for so many years and though we don't live in the "neighborhood" anymore, our families will always have the special connection of shared life experiences being "next door neighbors". Our hearts go out to you at this sad time. May Connie's memory shine brightly and may she rest in peace. May the Lord bless you all with peace, strength and comfort. Love, Joycelyn

“ Dear Joe, Lucille and Vincent and Sharon,

I sit here in disbelief that connie is gone. My heart goes out to you all so much...and to Joey, Jennifer and Connie's new husband. Although I am far away and we are all grown up now, I feel like a child right now. so many memories are rushing back... You have all been a part of my life since I can remember...you have always been "next door". My heart is breaking that I cannot be there to say a farewell to connie in person, but please know that I am sending so much love to you right now. I know that Connie touched many lives...I am sure the Lord has prepared a special, special place for her. Again, my heart is so broken...I love you all and please know that I am thinking of you. With so much love and fond memories,

“ Connie was one of the best people I have ever known. She wouldn't hesitate to do anything for anyone. Although we were cousins by marriage, I felt about her as if she were my sister and she was a dear friend. Her suffering is over now and ours is beginning. A light has gone out in the world. Rest in Peace my dear friend.

“ I am so sad to hear of my childhood friend passing. When I think of my memories of Connie, I can't help but remember my first (and only) fat lip that I got...from Connie - haha. I remember sleep-overs and washing our feet together in the bathroom sink and lying in bed and praying before we went to sleep. I think of eating dinner over and wondering what kind of delicious dessert Lucille was going to put on the table after dinner. I remember pulling weeds together in the garden because Connie wasn't allowed to play until it was done...riding bikes, swimming in the pool...our dogs chasing eachother at the fence. Making up dance routines in the basement and halloween parties and bobbing for apples. Many, many barbecues filled with love and laughter. Rest in peace my friend...thank you for the beautiful memories.
