“ You will be missed my dearest Grandma Tina :

*Each of us is Soul, a divine spark of God that lives through eternity. We are sent to this world to gain spiritual experiences. Eckankar teaches that, through many lifetimes in the physical world, each of us progresses to a full realization and manifestation of our innate godlike qualities, especially divine love. Karma and reincarnation are primary beliefs in Eckankar. We build up karma as a result of the spiritual Law of Cause and Effect. The ECK (Holy Spirit) helps us purify ourselves of karma (sin), making it possible for us to accept the full love of God in this lifetime. We gain wisdom, charity, and freedom.*

*You've taught me so much and you will remain in my heart forever.*

“ *I loved the time I spent with my Grandma. I remember the discussions we had when I was little, and when I was older. She gave me a train car that I cherish, and it is now in Spyro's room. I'm so glad Grandma got to spend time with Emma when we visited her in New York--those are memories we will always have of her. She was the sweetest, most gentle, loving, and wise person I know.*
