“ *To Vickie and all the Lawrences,  
She was such a kind and loving person, welcoming and raised her children so well. That entire time of my life is so rich in memories of the family, and she was the spiritual center for so much of the activity. I regret just having run across this page and hope it still works to communicate my most sincere affection for her and the short time we were in contact. I think of the family often, and have done so throughout the past 50 years. The fond memories never fade.*

“ Co and Andy were our first neighbors when we moved to The Courtyard over twenty years ago. We soon discovered our mutual interest in bridge, a game Co often said was one that gave credence to the maxim - “mind over body” - and she proved it! We fondly remember our nights of bridge, the shared gimlets, and our dinners out as well.

Jacquie can attest to Co’s spirit and love of the game in her determination to continue playing bridge, and playing it well, every week at the Huntington Country Club.

Co was a strong, intelligent, kind lady that we all will miss Our sincerest condolences to her beautiful family that she always spoke about so lovingly and proudly.

“ To all the dear Lawrences, Andy, Peter, Vickie, Barbara, Carl and Patty

*My heart is flooded with the fondest of childhood memories. Your Mom was a very special lady in so many ways...always a friend to me, my mom and my family. I will never forget CO! We will never forget CO!*

*Together as families, we shared the happiest of times as well as the most serious of times. You were my second family and I love you all!*

*My deepest prayers are with you during this time.*

*Thank you for the indelible memories!*

*Love,*
