“ *To Marianne and Jenn and family,  
Our sincere love and thoughts are with you and the family.  
Rather than cry because Craig is gone we will smile because he  
lived  
Rather than close our eyes and wish he would come back we will  
open  
our eyes and see all that he left .

“ Dear Marianne,  
with infinite dismay we have heard from you that Craig passed away after a difficult time for him and for all of you.  
It is difficult for us to express in words.  
We are very sad and share with you, with Jennifer, Jason and your whole family your suffering!  
Craig has ever been a best friend to us. He was always interested, cheerful and accommodating, generous and up for a joke. We will never forget our time together in Heidelberg, but also the phone calls and the later meetings with him and with you.  
Your family has grown very close to our hearts and we can sympathize with you how much you miss him!  
He left us far too early. We were looking forward to future joint encounters with Craig and you.  
But God has decided to take him out of our midst so early. We must accept his advice, even if we find it difficult.  
We have always felt that Craig was a devout Christian. God will take care of him. We will include him in our prayers.  
We can only guess the feelings of loss you must be going through.  
We are sure Jenny, Jason, Payton and Jaxon Jameson are a comfort to you through these difficult times.  
We will never forget Craig!

Our thoughts are with you
