“ Since you first moved to HHS , we hit it off as best friends , we used to walk each other to class, or cut class in that white truck you had and go to the mall and try to hide from anyone we knew lol. you would even give me advice about the boy i was crushing on and tell me "that nigga is CORNNNNNYYYY. We would visit each other at work when i was working in the mall and you was working at liquor plaza. I will forever miss and love you , your love lives on and will forever be remembered my good kind hearted friend . We are all anxious to meet that precious little baby that you left us for us to remember you by. I love you and miss you May you rest in Peace

“ *Let Us Pray*

Father, I pray for; Daniel Carbajal, that You may expose the evil done against Daniel Carbajal and that the perpetrator might be brought to repentance or else experience the pain he inflicted on others. Let them be unable to sleep; awaken them with the painful reality of what they've done and judge them accordingly. If granting them blessings will lead them to repentance, then we pray for their blessing. If it must be tragedy that awakens them to the trail of evil they have left behind, then do whatever is necessary to bring to their senses.

Meanwhile give us the sure confidence that You will do what is right and good; let us entrust the evil done against him into Your sovereign hand, and with that, let us be content.

In Jesus' name, Amen.

“ Thank you Danny. Thanks for loving my sister, for caring so much for my nieces and for leaving us with your sweet memories. Your genuine smile will continue to live on in my heart. In you I had another brother. My sweet sweet brother. And above all I want to thank you for the best gift an aunt can ask for, that sweet baby! In that baby we will always remember you. I can't wait to tell that child all about that special year his mom and dad spent together and how from that loving relationship came a beautiful baby. I love you and will always miss you. Until we meet again silly boy.
