“ *Marta , I am so sorry to hear of your loss.It is especially hard to lose someone so young .Keep his memory alive by thinking of all the funny things that happened when you were growing up and maybe some secrets that you both shared.I would like to hear some of those stories when you feel up to sharing them .In the interm just remember I am sure he loved you dearly and would have stayed if he could.If there is anything that I can do for you please do not hesitate to ask .*
