“ *Daryl's sister, Dea, is a friend and co-worker. She always spoke very proudly and lovingly of Daryl's musical and artistic abilities. I noticed in the tribute video that Daryl had a beautiful and geniune smile. He must have been a great guy! My sympathies to the Cox family.*

“ *I only met Daryl this past year but I could see he had a sweet soul. He was joyful and happy to be with his sisters last summer and spend time with them. My family and I want to share our condolences with all of his family. Daryl will be forever in your hearts.*

I had the priviledge of meeting Daryl last year when he visited Cheryl in Delaware. He was a kind person and very interesting to talk to you. He also had a good sense of humor. I will remember these memories and know he lived a good life and nw is with his Savior. Sorry for your loss Cheryl.
