“ *I am so very saddened to learn of David's passing. I've known David since 2000, and I so enjoyed his sardonic wit, his flare for the dramatic, and also his quiet side. He always had a way of making my late partner and me laugh. David and I spoke by phone a few times back in 2019 when he was going through his serious illness, and even then, he never lost his zest for life. Please accept my most sincere condolences for the loss of a wonderful human being.*
