“ Sunny

*Sunny, yesterday my life was filled with rain.
Sunny, you smiled at me and really eased the
pain.*

*The dark days are gone, and the bright days
are here,*

My Sunny one shines so sincere.

Sunny one so true, I love you.

Sunny, thank you for the sunshine bouquet.

Sunny, thank you for the love you brought my way.

You gave to me your all and all.

Now I feel ten feet tall.

Sunny one so true, I love you.

Sunny, thank you for the truth you let me see.

Sunny, thank you for the facts from A to Z.

My life was torn like a windblown sand,

And the rock was formed when you held my hand.

Sunny one so true, I love you.

Sunny

Sunny, thank you for the smile upon your face.

Sunny, thank you for the gleam that shows it's grace.

You're my spark of nature's fire,

You're my sweet complete desire.

Sunny one so true, I love you.

Sunny, yesterday my life was filled with rain.

Sunny, you smiled at me and really eased the pain.

The dark days are gone, and the bright days are here,

My Sunny one shines so sincere.

Sunny one so true, I love you.

I love you.

*I love you.
I love you.
I love you.
I love you.
I love you.*

“ *My daughter Gwendolyn and Dave were very dear friends and they spent several holidays and week-ends at my home in the desert. They loved swimming, hiking, and sometimes golf in the desert. My son David joined us for the holidays and we all had a fun time. Dave liked the dry desert air. Barbara Olmsted (mother of Gwendolyn and David and friend of Dave)*

I had a dream in June 2016, when I found out Dave had passed, when I was visiting out to Los Angeles, California to see my Dad on life support from a heart attack, and died a week later, after life support was removed, a week after that I had the dream: The dream was of Dave Daley and he was in an unknown place with white marble type structures and statues and he was assigned to be in charge of all these bird creatures; he hatched the same time they did, but Dave Daley was clearly in charge of the bird hatchlings, and Dave Daley had white/grey wings, as he shook some kind of ceramic shell off of himself and looked all around to see where he was. He looked my way, but did not acknowledge me. I told my lawyer husband Stephen about the dream, and he said Dave Daley wasn't a bird man, he had wings because he made it into Heaven. Rest in Peace my Love: I wish I could have said good-bye. Gwendolyn Olmsted, Dave's girl friend (1997-2004)

Thank you Dave Daley for showing me just a little bit of happiness, maybe a lot more than a little, in a cold cruel world; and what a cold cruel world we live in. I do not know what happened to you, your cause of death, but I am fairly sure it is related to what I just said. God Bless...
