“ *Dion you left us to soon we had so many memories left to make. no mother should ever their child i you were to come to my passing away my heart is broken. I will alway's remember your handsome face and the way you used to smack your lips when you ate, there are so many good time's all of us had together. I was always so proud of you, i think my proudest was when you were in the Army, we spent many good times when we came to visit you, i could go on and on about you.some day we will be together again, for now my son rest in heavenly peace with the Lord. I love you so much I' ll have you in my heart forever.*

“ *Dion there are no words to describe how much we miss you. There are so many unanswered questions. Thought you would be around to give brandon dating advice which I'm sure I would've hated and be there to dance with juliana at her sweet 16. You had a heart of gold. I hope you have found peace. Ill never forget all the good times we shared. Richies heart is breaking that you won't be around for march madness. You will forever be in our hearts. Until we meet again.....*

“ My heart aches for you all. I remember going to the Queens Village apartment to see Dion when he was born. Christmas Eve's spent at my parents, Dion wide eyed with excitement and wonder. I pray God gives you all the strength you need to get through the road ahead and the memories of good times help you to heal.
