“ *Rich and I had the privilege of living next door to Dom for many years. He was a special guy. Great sense of humor, generous to a fault and a work ethic beyond compare. To say that Dominick was the heart and soul of the neighborhood doesn't begin to describe the void he leaves behind. There will never be another like him. Sending prayers and deepest condolences to his family.*

“ I am forever grateful that I got to know this special man through his wonderful daughter Diane. This man was a true gentleman. His garden was his passion. I cannot even describe how beautiful his garden is, beyond words. He put his heart and soul into that garden. I am truly saddened by his passing. He will be forever in my prayers, rest in peace, my friend. 💙💔
