Don was my 7th gr band director at Hicksville Jr. High in 1966-67. Later, we became colleagues. Lots of fond memories...We last played in the orchestra for a production of Man of LaMancha. Now that was a treat! Sending my condolences to the Sitterley family. Rest peacefully, Don!

*Fond memories of Don Sitterley at Hicksville Junior High School as the "B" band director. He was a force to be reckoned with & if you stepped out of line he would definitely let you know about it. A good teacher the I learned a lot from. After my school years I was fortunate enough to encounter Don playing a numerous musical events on Long Island. The heavens have gained a new sax player & director but he will be missed. Condolences to the Sltterley family. RIP Don.
