“ *Cathy, Razz and Family,*

*Our love thoughts, and prayers are with you all. I love your Mum so much .One of my fondest memories is when your Mum would always get a kick out of us “girls” getting ready to go out on a Friday night as teenagers and then as young adults . She always had wonderful words of wisdom and advice for us . I miss those weekends at the Crawford home on Gristmill Lane as kids . She will dearly, dearly be missed . Even though I (we) can't be there with you, I am always by your side, and with you Cath . I will always be here for you . Much much love and prayers ;
Love, Brigid , Chris, the boys, and the entire Goode, and McDermott families*
