

Donna M. Miranda

August 30, 1960 - May 19, 2026

Donna Margaret Miranda, 65, passed away peacefully on May 19, 2026, in hospice care in Palm City, Florida, surrounded by her family and held in the arms of her devoted husband, Sal Miranda.

Donna was born on August 30, 1960, in Long Island, NY, and relocated to Palm City, FL, 20 years ago. Donna spent decades as a dialysis nurse, where her patients became more than patients; they became lifelong friends. Caring for others was not just her profession. It was her purpose.

Anyone who knew Donna knows how impossible it is to sum up everything she was, or still is, because a person like Donna doesn't really leave. Donna had a rare gift for making people feel loved, seen, and instantly at home. It was impossible to meet Donna and not love her.

Above all, Donna's greatest love was her family. She was the beloved wife of Sal Miranda; adoring mother to Bryce, who was her whole world; loving mother-in-law to Amanda; and incredible grandmother to Kaden. She also leaves behind her sister, Dianne Davis, and her treasured cousins and lifelong best friends. She's preceded in death by her mother Ethel LeVien Svendsen, her father Svend Svendsen, her nephew Kieth Fields, and her dearest cousin Eleanor Allen.

A viewing will be held on Wednesday, May 27, 2026, from 6:00 to 8:00 PM at Treasure Coast Chapel in Stuart, Florida.

A separate wake, funeral Mass, and burial will be held on Long Island. The wake will take place on Wednesday, June 3, 2026, from 4:00 to 8:00 PM at A.L. Jacobsen Funeral Home. Funeral Mass will be held on Thursday, June 4, 2026, at 9:45 AM at the Church of St. Patrick, located at 400 Main Street in Huntington, New York, followed by burial at St. Patrick's Cemetery.

In lieu of flowers, donations may be made in Donna's memory to Project Purple, in support of pancreatic cancer research and treatment trials, The Humane Society of the Treasure Coast, or Make A Wish.

"It's not goodbye—it's I'll see you later." Until then, Donna, we love you more.

“ Friendship, loyalty, and love = Donna. You have been admired for just being the beautiful soul that you are. A positive force, and the brightest light in the Universe. God Bless you Angel. I was blessed to have worked with the most compassionate person, and nurse. I will forever cherish our special memories and moments in time. Although distance kept us apart I always felt infinite connection, especially our Bryce's share the same birthday. I enjoyed watching the stages in your life, and the joy you felt having Bryce, Marrying Sal, and the Marriage of Bryce and Amanda, and birth of Kaden. I will miss knowing you are just a text away, but I know you will always surround me and all of us on earth. One memory that makes me laugh is when we finally got out on a break at work and shared a bologna sandwich in your blue jeep.... God Bless you Donna xoxo... Much Love Wendy

“ Donna was so very fierce in her love for her family. Her energy and curiousness was a delight to behold. So down to earth and a friend to everyone, she never made you feel like a stranger. I will miss her.
