“ Liz & Warren,

My prayers are with at this time of sadness. I never met your mom Liz but I am sure she was a beautiful woman! She is at rest now & can forever be remembered as your inspiration in life! Love you, Helena

“ Liz and Warren,

I will always remember laughing about the fact that we thought each others name was "Mary" when we first met. After that every time we got together we would say "Hi Mary" and laugh about it. A couple of times we had to explain to people because they would give us looks. Even the last time I saw her I said "Goodbye Mary and be good" and like always her reply to that was "What is the fun in that".

Dot was a loving person and so easy going. She will be missed by all and especially those who loved her.

With Deepest Sympathies,

Chuck and Linda Smith
