Dear Dawn and Tara,

You are still in my thoughts and prayers. Aunt Dot was an amazing fun and loving person. She will be missed but not forgotten. I have so many memories of family gatherings in Morrystown, Mt. Tabor and on Long Island from long ago. Our relatives certainly knew how to enjoy life! I hope we can keep those great memories alive as we grow older and can honor them along they way. Take care and I will pray for your peace and strength.

“ My Aunt Dot was a warmhearted woman and a loving aunt. I feel that she is looking down on us right now in spirit. She meant so much to me. I love her very much. I will never forget her smile and the sound of her voice because she is in my life and in my spirit. "Aunt Dot will always be on my side and in my heart forever." She is in God's hands and in my memory. Aunt Dot has a loving family and friends who touched her heart and soul. She is the sunshine of my life.

She is in our thoughts and prayers.

“ Dear Aunt Dot,
Caring, considerate, kind and thoughtful. Fun, too!
I cherish our times together. Just you and me. Letting time pass by,
holding hands.
Me with tears and you smiling and saying "don't cry". You were so
brave. I will miss you so much... miss you and your gentle ways. I
will always appreciate the gift of sharing love with you, Aunt Dot.
Thank you for all you have been to our family. Jason, Danny, Nick
and I had such good family times with you and Uncle Bob, Tara and
Dawn.
The drawer full of candy and toys for the boys! The crackling fire,
abundance of yummy food and warm company... together. We will
miss you. Know that you are loved dearly and will remain so in our
hearts.
Love and Hugs,
Shelly (Beany), Nick, Jason and Danny.

“ *Memories of shopping, dining, playing, going to school, or just hanging out with our parents, Bob & Dot and Dom & Dot in Locust Valley (Class of '73) and Bayville. Can it really be over 40 since we first became friends? Your mom was a classy lady!
Love, prayers, and happy memories from all of us to you and Tara.

“ Dear Tara and Dawn,

With heartfelt love and compassion I lift for you both a continuous prayer for comfort and peace. For strength that only God can provide during this passage of your lives. Saying goodbye to mother is one of the hardest trials of life here on this earth. Many of us have walked that path before you.....and it is a valley where somehow a loving heavenly Father takes our hand in His Spirit and carries us through with tender care and miraculous comfort. Legions of angels from the heavenly realms are your unseen guardians, paving the way for your broken hearts. God's word reminds us that there is a place He has prepared for us beyond earthly boundaries where are loved ones have gone before us and wait for our arrival as well. It is a place of great peace and beauty like we have never imagined. A special place for those who believe.....As it is written in John 3:16..."For God so loved the world that He gave His only begotten Son, that Whosoever shall believe on the Name of the Lord Jesus Christ shall not perish.but have everlasting life." God's Word also says that for believers ..."Thy AND thy household shall be saved." How cool is that! Household meaning your family generations! I personally prayed with both of your parents concerning heaven.and they prayed with me.Your mama said, "Ginny you are going to be a minister!" I can still see her sitting at the kitchen table with her wits still about her saying that to me and we laughed! The last time i visited with your dad we prayed and he thanked me so, telling me he really needed that confidence. What an honor to pray with your mother and father.who have been such a tremendous blessing to all of us in the extended family for their entire lifetime! They have I am sure a huge memorial build in heaven. A huge monument of collected acknowledged kindnesses, concerns, laughter, provisions, impartations of wisdom, and so very much more too numerous to mention. Your mother was a wonderful faithful sister, aunt, great aunt, mother, daughter, cousin, friend and confidant.She was the glue that held our extended family together for a lifetime. She loved all of her nieces dearly and never let them forget that she did.

When we were young and later as well, your mother stepped in

wherever she could to lighten the burdens of life for any and all of us. She was so well loved by all her friends over the years of her life and kept them laughing! Oh how she loved Robert Rencken! Your mother was also very stylish and classy in every way! I view the old movies and boy! She was always dressed to the tee!

I know she is at peace now. She contributed so much to so many. She ran a good race and she is now, as the scriptures say, "More than a conqueror in Christ Jesus." She has earned her crown. I love you my cousins....thank you for sharing your mother with all of us. Peace and strength to you both. You also have earned your crowns....faithfully caring for all your mother's needs for so very long to the best of your abilities and you did it! You sacrificed so much. Stand strong and proud for you have honored the woman who brought you into this world all the way to the end.

Love, From Gingerale (Your mom's nick name for me, her niece!)

See you soon!
