

Eddie Morante

May 1, 1970 - February 20, 2026

Eddie Morante, 55 was born in The Bronx, NY to the late Eliseo & Sira Morante. On Friday, February 20, 2026 we lost our father, husband but most importantly our hero. He was surrounded by love, leaving behind a legacy of strength, resilience & unwavering devotion to his family.

Eddie is remembered as a devoted & loving husband to his wife Josephine, standing by each other's side through every step of their journey together. He is deeply missed by his daughter, Gabriella & son, Dante. His fur babies Luna and the late Frankie. Son in law to Margherita and the late Vincenzo Metallo. Brother in law to Angela, Antoinette (Vinny), Tony (Angela), and Nina (Bobby). Brother to his twin Alex (Joan), and the late Albert (Diane), Maritza, Idy, and Alina. Uncle too many beloved nieces and nephews. And lastly remembered by his many, many friends whom he loved as family.

His passion for sports was something never seen before. As a dedicated baseball & softball coach he taught many of us lessons that we will hold on & off the field but most importantly in our hearts. But his love for the game doesn't stop there. He absolutely loved The New York Yankees- and if you knew him it was more than just baseball. It meant passion, loyalty & loving what you love no matter what. That was Eddie.

And while he may no longer be with us physically, his strength, lessons and

love will live in us forever. We love you always dad.

In lieu of flowers, we ask you kindly to consider donating to Eddie's GoFundMe to help support our family during this incredibly difficult time. Every contribution, prayer & act of kindness means more than we could ever express.

“ *Eddie was a loyal and kind person who highly valued his friends. He always worried about his friends' well-being and checked in on them regularly treating them as part of his extended family. I'm sure I speak for everyone when I say that he will truly be missed as he was so loved.*
