“ *I am very sad to hear about Aunt Eleanor. Our Philadelphia branch of the Hummel family tree have such fond memories of car trips to Long Island to visit the New York branch of the family. Uncle Hugo, Tante Elsa and of course, the Vasquez family! I'm so glad that my Mom, Joan, has been able to stay in contact with your Mom through these years. Your Mom was always so nice and welcoming. My deepest sympathy to Karen, Susan and families.*

“ My granny was my angel on earth and now she’s my angel in heaven. She was the epitome of grace and strength. She raised me to be the woman I am and i hope I can be half of the woman she was. She was kind and gentle, she made friends with strangers and she was love itself. I am so thankful she was mine, there is not a thing she wouldn’t do for me to make me happy. She was at every dance recital, every band concert, ice skating practice, she was there for me through everything and her undying love for me got me through my hardest days. I cant try to put into words the person she was to me because words could never express how much she loved me and how much I loved her. I will miss her for the rest of my life. I hear her song she would sing to me everywhere I go. I know she’s at peace now with her mom, uncle gary and aunt eleanor. I hope in heaven there is endless amounts of coffee, cake and mallowmars. I love you granny, I love you endlessly. Please watch over me. I was never ready to let you go but i know you are at peace now with your family. I hope you know I will miss you and love you for the rest of my life.

“ And there goes one of the sweetest angels to ever walk the earth. Aunt Eleanor, I will never forget you, your laugh or your love for me. I will miss our talks and my birthday phone call when you would sing to me every year. I know you are enjoying many reunions up there. Thank you for a lifetime of laughter and love. Until we meet again, your third daughter, Maura XOXO
