“ *I am so very sorry this comes far too late. Overtime I have often thought of you. Unexpectedly these past few months something compelled me to attempt to find you—but sadly to no avail. You are my uncle. My godfather. I am your brother Tommy's daughter Michele/Shelly. I will forever regret that I was unable to connect. But the fact that you 3 brothers are now once again together is of some solace. Rest in peace.*

“ *As a kid, I was infatuated with his bald, shiny head and used to rub it whenever I'd see him. I always loved spending time with him. He was definitely the "Fun Uncle". We would visit him regularly and order Chinese take out. Uncle Ed never missed a birthday or Christmas. There was always a card in the mail. He never missed a year. He had such a big heart and I will miss him dearly. I will always cherish those memories of him.*
