“ Betty, Fred, John and family. So sorry to hear. In these tough times the Cavagnet family sends you all our prayers ad big hugs. I only met her a few times but she was a lovely lady.

“ Through my long friendship with Betty and Fred Sprauer, Betty and John Eberhardt also became friends. It feels more like they were family; we shared both joys and sorrows. Betty was always warm and welcoming and rarely without a smile. I shall miss her. My heartfelt condolences to all who were lucky enough to have her in their lives. Judy Bensimon
