“ *Dear Maureen,*

Please know that I am thinking about you at this sad time, and know, too, what a comfort it must have been for your dear mother to have had you as a daughter and a nurse. We owe her a great debt for the very special person that you are, and know, too, that there are many of your ASPAN family who are only a phone call away, anxious to offer you support and comfort. Please call for anything at all. I'll not soon forget your gentle and caring coaching and support when discussing the loss of my own dear mother. May God bless you and your family and bring you strength and comfort. Love, Chris

“ Dear Stengren Family,

I want to share my condolences with your family at this sad time. I did not know Mrs. Stengren well, but met her, along with several of her daughters at a function that Maureen was at several years ago. Maureen and I have been colleagues and friends for many years and she often spoke fondly of her mother and family.

Keep those memories of her close, and she will be with you forever!

Again, my condolences to your family.
