“ *I do not even know how to convey how DEEPLY sorry we are for the loss of such an incredible person... Elsie was always able to make me laugh!! This is because, unlike most of us, there was not much need for filtering!! She simply said it as she saw it!! ALWAYS! How could you not laugh??!! Years ago, Joan would invite me along to go visit Elsie... This would be during the school day, when the children were young. On occasion, we would go out for lunch. I would offer to treat, but, NO WAY!! Elsie would not allow that... Ever!! I was her guest... Period!! Elsie was the beginning of such an amazing, close-knit family!! A wonderful legacy she leaves... May she be on her way to reuniting with her much-loved husband... No doubt, they will be in God's eternal care... Much Love to Everyone...*
