“ *Will always appreciate your love of family and of cooking. Your kids & grandkids will always miss the Sunday dinners at "Nana & Popops" house. Making sure that your family felt at home in your kitchen, you always made great meals while listening to everyone's stories and sharing some of your own while sitting at the table with your family. So much love and laughter felt and precious memories made. Hope you know how appreciative and grateful we are for all you did for us and the sacrifices you made. Miss you.*

“ *We had been neighbors for over 30 years, and I still live next to your sister Carol. Our families know one another long before then, and I know you're at peace, and playing golf and painting with Phil by your side. RIP Emma, and my condolences to Carol, and the entire DeDora and DeRosa families.*

“ Aunt Emma,
I got to meet you at Christmas time 1976, I remember you being into tennis and golf and the swimming pool in the backyard that Roxanne "panny" was crazy about and still has a pool to this day. You treated me like I was part of the family from day one. I remember the first thing when you had to leave the house in your elder years, Roxanne had to have those paint brushes, you were her mentor when it came to painting. It will never be the same without the DeDora's next to her sister. Carol's one and only favorite son-in-law, John and the whole entire "Love" the Guzze Crew.
